INVITATION TO EXPLORE

CANYON DENALI interior in Jet Black shown with available equipment.

In Canyon Denali, you'll find premium materials from embroidered Denali front head restraints to supportive heated and ventilated leather-appointed front seats with unique contrasting stitching. And because it's a Denali, you'll also find burnished aluminum trim and a hand-stitched, heated leather-wrapped steering wheel.

CANYON ALL TERRAIN CREW CAB in Red Quartz Tintcoat (additional charge; premium paint) shown with available equipment.

ALL TERRAIN

TAKE THE ROAD LESS TRAVELLED

- AUTOMATIC LOCKING REAR DIFFERENTIAL
- OFF-ROAD SUSPENSION
- HILL DESCENT CONTROL
- DRIVER ALERT PACKAGE¹ IS AVAILABLE (LATE AVAILABILITY)

Even before venturing off the beaten (and often unpaved) path in your Canyon All Terrain, its rugged yet refined styling signals it's up to the journey.

It starts with an All Terrain black grille, body-colour bumpers and grille surround and continues with unique 17" Dark Argent metallic cast-aluminum wheels and all-terrain blackwall tires.

Its supportive, purposefully crafted interior features exclusive contrasting red stitching, distinctive All Terrain seating, special dark aluminum trim and carbon-fibre-inspired interior accents.

¹Read the vehicle Owner's Manual for important feature limitations and information.

- GOODYEAR® WRANGLER DURATRAC® TIRES
- BLACK 3" ROUND STEP BARS
- SPRAY-ON BEDLINER
- ALL-WEATHER FLOOR LINERS

To help you conquer more challenging environments with confidence, Canyon All Terrain¹ offers the available All Terrain X Package. It starts with the Canyon All Terrain—with features such as a transfer case shield, automatic locking rear differential and Hill Descent Control—and adds equipment made to help you take on the terrain.

¹No longer available to order.

AVAILABLE DURAMAX TURBO DIESEL

AVAILABLE ESTIMATED
7.9 L/100 KM HIGHWAY¹

¹2020 Canyon Crew Cab with available 2.8L Duramax Diesel engine and 6-speed automatic transmission fuel-consumption estimate is 11.8 L/100 km city and 7.9 L/100 km highway (4x2); 12.3 L/100 km city and 8.5 L/100 km highway (4x4). Fuel-consumption estimates based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption will vary. ²Canyon's 7700-lb. (3493 kg) rating requires the SLE Crew Cab 4x2 short bed model with available 2.8L Duramax Diesel engine, Driver Alert Package, SLE Convenience Package, automatic locking rear differential and Trailering Package. Canyon's 7600-lb. (3447 kg) rating (as shown) requires the SLT Crew Cab 4x4 short bed model with available 2.8L Duramax Diesel engine and Trailering Package. Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

SOME THINGS ARE MORE POWERFUL WHEN THEY WORK TOGETHER

Canyon offers the available Duramax 2.8L I4 Turbo Diesel engine with an estimated fuel efficiency of 11.8 L/100 km city/7.9 L/100 km highway (4x2) (12.3 L/100 km city/8.5 L/100 km highway¹ [4x4] as shown). When properly equipped, Canyon SLE is also strong enough to trailer up to a maximum available 7700 lb. (3493 kg)² (7600 lb. [3447 kg]² SLT [as shown]).

Learn more about Canyon's powertrain technologies at gmccanada.ca.

LOAD IT UP

WE DID

CANYON ALL TERRAIN in Onyx Black shown with available equipment.

- ROLL-FORMED HIGH-STRENGTH STEEL CARGO BED
- CORNERSTEP REAR BUMPER AND HAND ASSISTS
- RAIL PROTECTORS
- TWO-TIER LOADING
- MOVABLE LOAD-BEARING TIE-DOWN HOOKS ARE AVAILABLE
- SPRAY-ON BEDLINER IS AVAILABLE
- EZ-LIFT AND LOWER TAILGATE IS AVAILABLE
- REMOTE LOCKING TAILGATE IS AVAILABLE

We engineered the cargo bed to do more than just carry your gear. These innovations help you easily get into the bed, as well as organize and secure cargo. In addition, Canyon's large cargo bed is designed to deliver exceptional payload capability.

**CANYON SLE AND SLT MODELS OFFER AVAILABLE
(STANDARD ON DENALI):**

- REAR PARK ASSIST¹
- FORWARD COLLISION ALERT¹
- LANE DEPARTURE WARNING¹
- HIGH DEFINITION REAR VISION CAMERA¹

¹Read the vehicle Owner's Manual for important feature limitations and information. ²A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and child safety seat instructions for more safety information.

BECAUSE IT'S A JUNGLE OUT THERE

Canyon SLE and SLT models offer available collision-avoidance and security technologies (standard on Denali) that are engineered to help enhance your awareness of the road and surrounding vehicles. Additional peace of mind is provided by six standard airbags.²

Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

AS IF DRIVING YOUR CANYON ISN'T ENTERTAINING ENOUGH

In Canyon, your always-connected life shouldn't stop because you're on the go. You'll find available technologies designed to keep you entertained, in sync, informed and powered up.

- APPLE CARPLAY®¹ COMPATIBILITY FOR IPHONE® (SHOWN BOTTOM RIGHT)
- ANDROID AUTO™² COMPATIBILITY (SHOWN BOTTOM LEFT)
- AVAILABLE BUILT-IN 4G LTE WI-FI® HOTSPOT³

GMC CONNECTED SERVICES⁴

Your select new 2020 Canyon offers a host of in-vehicle benefits. Connected Access⁵ offers the latest technology to help you make the most of every drive—which includes standard connectivity for 10 years on most models⁶ and enables services such as Vehicle Diagnostics and Dealer Maintenance Notification. You can also take your ownership experience to new levels by upgrading to other GMC Connected Services.

myGMC® APP⁷

When you download the available myGMC App, you have access to features like scheduling service, learning how to use your vehicle's technologies and other ways to simplify your ownership experience. When you upgrade to Remote Access⁸ (not available on SL), you can remotely start and stop the engine, check fuel levels and even set and share notifications for vehicle arrivals and departures with Vehicle Locate.⁸

Discover how to stay connected at gmccanada.ca.

¹Vehicle user interface is a product of Apple® and its terms and privacy statements apply. Requires compatible iPhone® and data plan rates apply. Apple CarPlay is a trademark of Apple, Inc. Siri, iPhone and iTunes are trademarks of Apple, Inc., registered in the U.S. and other countries. ²Vehicle user interface is a product of Google™ and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android™-compatible smartphone running Android 5.0 or higher. Data plan rates apply. Android Auto is a trademark of Google LLC. ³Visit onstar.ca for vehicle availability, coverage maps, details and system limitations. Services and connectivity vary by model and/or vehicle configuration and conditions, as well as geographical and technical restrictions. 4G LTE service available in select markets. Requires active connected vehicle services and a data plan to access the vehicle's built-in Wi-Fi Hotspot. Accessory Power must be active to use the Wi-Fi Hotspot. Data plans provided by AT&T® or its local service provider. Credit card is required for purchase. ⁴Connected vehicle services require a connected vehicle services plan or trial, connected hardware, vehicle electrical system (including battery), wireless service and GPS satellite signal to be available and operating for features to function properly. OnStar® acts as a link to existing emergency service providers. Visit onstar.ca for coverage map, details and system limitations. ⁵Services, connectivity and capabilities are subject to user terms and limitations and vary by model and/or vehicle configuration, as well as geographical and technical restrictions. Connected Access does not include emergency or security services; service availability requires compatible 4G LTE wireless networks; standard connectivity available to original purchaser for 10 years from the trial activation date for properly equipped vehicles and is not transferable. 4G LTE service available in select markets; requires data plan (credit card needed for purchase) to access the vehicle's built-in Wi-Fi Hotspot; Accessory Power must be active to use the Wi-Fi Hotspot; data plans are provided by AT&T or its local service provider and may change. Vehicle Diagnostics requires enrolment and email address on file; message and data rates may apply; not all issues will deliver alerts; Vehicle Status and On-Demand Diagnostics require a paid service plan. Visit onstar.ca for vehicle availability, coverage maps, details and system limitations. ⁶Not available on SL trim. Available on Canyon trim. Included on all other trims. ⁷Available on select Apple® and Android devices. Service availability, features and functionality are subject to limitations and vary by model and/or vehicle configuration, device and the plan in which you are enrolled. Device data connection required. ⁸Services and capabilities may vary by model and/or vehicle configuration. Smart Driver is not available for MY 2014 and older vehicles. Remote Personalization is not available on MY 2016 and older vehicles; requires properly equipped vehicle with compatible hardware and a paid data plan. Diagnostic capabilities do not cover all vehicle conditions; requires email address on file and enrolment in Vehicle Diagnostics to receive alerts; additional message and data rates may apply. Tire Pressure Monitoring System required (excludes spare). Does not include emergency or security services. Vehicle Locate is designed to locate compatible connected vehicles and capabilities vary by model and/or vehicle configuration and mobile device; available in the U.S., Canada and Mexico only. Remote Key Fob enables services such as remote start (requires GM factory-installed and enabled remote-start system), door lock/unlock (requires automatic locks) as well as lights and horn activation. Send-to-Vehicle Navigation requires a GM factory-installed navigation system to send directions to the vehicle. Alexa™ and Google Assistant™ are only available in the U.S. and Canada in U.S. English on properly equipped vehicles; some commands are not supported on some vehicles; requires an internet connection. Some services require access to the mobile app; available on select Apple® and Android devices. Services are subject to user terms and limitations. Visit onstar.ca for more details.

THE QUESTION IS, WHICH ONE?

Choose the Canyon that's right for you at gmccanada.ca. All vehicles shown with available equipment.

CANYON TRIMS

SL AND CANYON models come with the essentials, including features such as a 2.5L I4 engine paired with a 6-speed automatic transmission, StabiliTrak with Trailer Sway Control, the CornerStep rear bumper, a 4-way power driver seat, traction control and a Rear Vision Camera.¹

SLE includes most Canyon standard content and adds a 6-way power driver seat, heated power-adjustable exterior mirrors, remote keyless entry, a leather-wrapped steering wheel with audio controls, an 8" diagonal GMC Infotainment System,² EZ-Lift and Lower Tailgate and a High Definition Rear Vision Camera.³

ALL TERRAIN³ includes most SLE standard content and adds features such as an off-road suspension system, heated front seats, an automatic locking rear differential, Hill Descent Control and unique exterior and interior features.

¹Read the vehicle Owner's Manual for important feature limitations and information. ²Functionality may vary by model. Full functionality requires compatible Bluetooth® and smartphone, and USB connectivity for some devices. Data plan rates may apply. ³No longer available to order. ⁴The system wirelessly charges one compatible mobile device. Some devices require an adapter or back cover. See mygmc.ca for more information. ⁵At time of posting, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ⁶Bose is a registered trademark of Bose Corporation. ⁷No longer available to order.

SLT includes most SLE standard content with additional features such as a 3.6L V6 engine with 8-speed automatic transmission, Rear Park Assist,¹ remote vehicle starter system, wireless charging⁴ for compatible smartphones, a 4-way power front-passenger seat with power lumbar control and heated leather-appointed front bucket seats.

DENALI is the ultimate expression of Professional Grade. Includes all SLT standard content and offers additional features such as heated and ventilated perforated leather-appointed front seats, an 8" diagonal GMC Infotainment System² with Navigation,⁵ a Bose⁶ Premium Sound System, under-rail LED cargo bed lighting, 20" machined aluminum wheels with painted accents and a spray-on bedliner.

SELECT AVAILABLE CANYON PACKAGES

ELEVATION EDITION is available in both Extended Cab and Crew Cab configurations. It includes most SLE standard content and adds features that set the truck apart, such as a body-colour grille surround with black inserts and special 18" Satin Graphite painted aluminum wheels.

ALL TERRAIN X PACKAGE⁷ includes All Terrain standard content and adds black 3" round step bars, all-weather floor liners, a spray-on bedliner and 31" Goodyear® Wrangler DuraTrac® tires.

COLOUR YOUR WORLD

¹Extra-cost colour. ²Not available on Denali. ³Not available on All Terrain. ⁴Not available on Elevation Edition. ⁵Not available on SL. ⁶Not available on Canyon trim. ⁷Limited availability. ⁸Late availability.

- The GM Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users)

A WORD ABOUT THIS BROCHURE Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximations based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of publication, please check with your GMC dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

A WORD ABOUT THIS ASSEMBLY GMC vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.
