

2019
GMC ACADIA

**LIVE
LIKE A PRO**

ACADIA DENALI in Ebony Twilight Metallic shown with available equipment.

With pros like you, dreams are a starting line. Your eyes open, your feet hit the floor and those dreams become one step closer to reality. The end is always firmly in sight. You're all about improving on yesterday's feats, doing more and doing them better. We can relate. Because achieving is what drives us, too.

Meet the SUV for you—the 2019 GMC Acadia.

ACADIA DENALI in Red Quartz Tintcoat shown with available equipment.

UTILITY DOESN'T HAVE TO FEEL UTILITARIAN

Acadia Denali greets you with genuine materials, including wood accents, warm-tone burnished aluminum trim and Denali-grade leather appointments with a premium feel. Refinements continue with Denali-stitched front-seat head restraints, heated and ventilated front seats, heated second-row outboard seating positions and an automatic heated steering wheel.

ACADIA DENALI six-person seating in Jet Black shown with available equipment.

FLIP, FOLD, REPEAT

- SMART SLIDE SECOND-ROW SEATS
- NUMEROUS SEATING/CARGO ARRANGEMENTS
- HANDS-FREE POWER-PROGRAMMABLE LIFTGATE IS AVAILABLE

Because your life is constantly on the move, Acadia accommodates up to seven in style, comfort and space. Acadia enables your versatility with second-row Smart Slide seats that allow easy third-row access with just one hand. Smart Slide seats also function properly with a child seat installed. With the second and third rows folded flat, Acadia gives you up to 2237 L (79 cu. ft.) of cargo space¹ to load up.

¹Cargo and load capacity limited by weight and distribution.

SMART HOME, GENIUS SUV

When it comes to keeping you connected, informed and entertained, we believe the smarter the technology, the more mobile, intuitive and easy to use it should be. Acadia Denali does it with the 8" diagonal colour touch-screen with GMC Infotainment System¹ and Navigation.²

Acadia also does it with a Rear Seat Reminder³ that is activated when a second-row door is opened or closed during or just before a trip. When Acadia is turned off, under certain conditions, an audible chime and a message in the Driver Information Centre will remind you to check the rear seats.

¹Functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone, and USB connectivity for some devices. Data plan rates may apply. ²At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ³Does not detect people or items. Always check rear seat before exiting the vehicle.

**WANDERLUST
ISN'T FOUND ON A MAP**

ACADIA SLT-1 ALL TERRAIN in Ebony Twilight Metallic.

Some of the best parts of this country aren't paved. But that won't stop you when you're behind the wheel of Acadia All Terrain with its advanced twin-clutch AWD system. In true GMC style, design combines with rugged capability and a premium, ultra-supportive cabin. Inspired by outdoor gear, the seats are both comfortable and durable when the going gets rough. To accommodate your travel companions, choose five- or available six- or seven-person seating.

TRACTION IS A TEAM SPORT

In your Acadia, everything works together to create the power, handling and trailering capability to comfortably get you where you're going without leaving your passions behind. Acadia offers several available ride and handling technologies—a Traction Select system, Continuously Variable Real-Time Damping and an advanced twin-clutch All-Wheel-Drive system—as well as powerfully efficient engine options. The direct-injected 2.5L, 193-hp 4-cylinder engine turns Stop/Start technology into remarkable efficiency. For more power, the available 3.6L, 310-hp 6-cylinder engine produces the power to trailer up to 1814 kg (4000 lb.)¹ when paired with the available Trailering Package.

UP TO 1814 KG (4000 LB.)¹ AVAILABLE MAX TRAILERING (PULL IT)

ACADIA SLT-1 ALL TERRAIN in Ebony Twilight Metallic shown with available equipment and dealer-installed accessories.

¹Requires available 3.6L V6 engine and Trailering Package. Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

A close-up photograph of a hand turning a circular knob in a car's center console. The knob has four settings: 'AWD' (All-Wheel Drive), '4x4', '4x2', and '4x4'. The hand is positioned to turn the knob towards the 'AWD' setting. The surrounding area includes a gear shifter with 'P R N D L' markings and a cup holder.

TRACTION SELECT SYSTEM (GRAB IT)

Available equipment shown.

3.6L V6 (PUSH IT)

DRIVE KNOWING THAT WE GO BEYOND WORDS TO HELP YOU

Offering a comprehensive collection of available driver-alert and driver-assist technologies, Acadia is engineered with the belief that the best way to handle a collision is to avoid it.

Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

NAVIGATE YOUR WORLD WITH CONFIDENCE

ACADIA SLT-1 ALL TERRAIN in Ebony Twilight Metallic.

Lane Change Alert with Side Blind Zone Alert¹ is available

Rear Cross Traffic Alert is available

Rear Park Assist is available

Discover more of Acadia's available safety features at gmccanada.ca.

¹Before making a lane change, always check the exterior and interior rear-view mirrors, look over your shoulder for vehicles and hazards and start the turn signal.

OUT AND ABOUT**

ACADIA SLT-1 ALL TERRAIN in Ebony Twilight Metallic.

- GMC CONNECTED ACCESS¹
- REMOTE ACCESS PLAN²
- PREMIUM ACCESS PLAN³

INTRODUCING GMC CONNECTED SERVICES

Seamlessly link your digital life to your Acadia with GMC Connected Services and its range of available plans. Connected Access¹ gives you standard connectivity that enables services such as Vehicle Diagnostics and Dealer Maintenance Notifications to help you better manage your vehicle's health. Or add the available Remote Access Plan² to start and stop⁴ or lock and unlock⁴ your properly equipped GMC via the available myGMC mobile app.⁵ With the available Premium Access Plan,³ you can stay connected on the go with your available built-in 4G LTE Wi-Fi[®] hotspot⁶ (data plan required).

OnStar Safety & Security Plans⁷ and Connected Services have changed significantly. While many of the offered services are the same, available plans and pricing are different. Visit onstar.ca to review all the details and limitations.

Discover how to stay connected at gmccanada.ca.

¹Limitations apply. Not transferable. Standard connectivity available to original purchaser for 10 years from vehicle delivery date for model year 2019 and newer GMC vehicles. See onstar.ca for details and further plan limitations. Connected Access does not include emergency or security services. Availability of Connected Access and any of its services is dependant on compatible 4G LTE wireless networks and is also subject to change. ²Diagnostic capabilities vary by model and do not cover all vehicle conditions. Additional message and data rates may apply. Requires email address on file and enrolment in Vehicle Diagnostics. Remote Access Plan does not include emergency or security services. Services are subject to user terms and limitations. Visit onstar.ca for more details. ³Connected Navigation and real-time Points of Interest (POI) only available on properly equipped vehicles. Hands-Free Calling includes 30 minutes per month to make calls to and from the U.S. and Canada only. Unused minutes expire at the end of each month. Data plans are provided by AT&T[®] or its local service provider. Services are subject to user terms and limitations and vary by vehicle model. Visit onstar.ca for coverage maps, details and system limitations (including geographical and technical restrictions). ⁴Requires subscription to Remote Access Plan or Premium Access Plan. Services are subject to user terms and limitations and vary by vehicle model. Unlock feature requires automatic locks. Remote start requires GM factory-installed and enabled remote-start system. Visit onstar.ca for more details. ⁵Available on select Apple[®] and Android[™] devices. Service availability, features and functionality are subject to limitations and vary by vehicle, device and the plan in which you are enrolled. Device data connection required. Visit onstar.ca for more details. ⁶Visit onstar.ca for vehicle availability, coverage maps, details and system limitations. Services and connectivity vary by model and conditions as well as geographical and technical restrictions. 4G LTE service available in select markets. Requires active connected vehicle services and a data plan to access the vehicle's built-in Wi-Fi hotspot. Accessory Power must be active to use the Wi-Fi hotspot. Data plans provided by AT&T or its local service provider. Credit card is required for purchase. ⁷OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. Roadside service provided by Allstate Roadside Services, and limitations and restrictions apply. Stolen Vehicle Assistance requires armed factory-installed theft-deterrent system and selection of notification communication preference(s). These services are intended to assist with vehicle recovery and do not prevent theft or protect against damage or loss. Additional messaging and data rates may apply. Services are subject to user terms and limitations and vary by vehicle model. Visit onstar.ca for more details.

ACADIA MODELS

Choose the Acadia that's right for you at gmccanada.ca/build-and-price.

SLE-1

The Acadia SLE-1 comes with the essentials, including seven-person seating, Smart Slide flat-loading second-row seats, Bluetooth^{®1} connectivity and remote keyless entry.

SLE-2

Includes all SLE-1 standard content and adds features such as a 310-horsepower 3.6L VVT DI engine, an eight-way power driver seat, heated front seats, a remote vehicle starter system and a power-programmable liftgate.

ALL TERRAIN

Includes all SLE-2 standard content and balances its rugged capabilities with a premium, ultra-supportive cabin with features such as an advanced twin-clutch AWD system, All Terrain-specific aluminum wheels and a tone-on-tone look with black chrome and dark accents. Also available on SLT-1 (shown above) and adds perforated leather appointments and 20" aluminum wheels.

All models shown with optional equipment. ¹Not compatible with all devices. ²Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply. ³Before making a lane change, always check the exterior and interior rear-view mirrors, look over your shoulder for vehicles and hazards and start the turn signal. ⁴Preproduction model shown. Actual production model may vary. Available late summer 2018. ⁵At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas.

SLT-1

Includes all SLE-2 standard content with added features such as perforated leather appointments, an 8" diagonal colour touch-screen with GMC Infotainment System² and a Bose[®] premium sound system, Lane Change Alert with Side Blind Zone Alert,³ Rear Cross Traffic Alert, Rear Park Assist and an 8-way power front-passenger seat.

SLT-2 (Shown above)

Includes all SLT-1 standard content and adds features such as a memory driver seat and exterior mirrors, heated second-row outboard seating positions, Front Pedestrian Braking, Lane Keep Assist with Lane Departure Warning and the Safety Alert Seat.

BLACK EDITION⁴

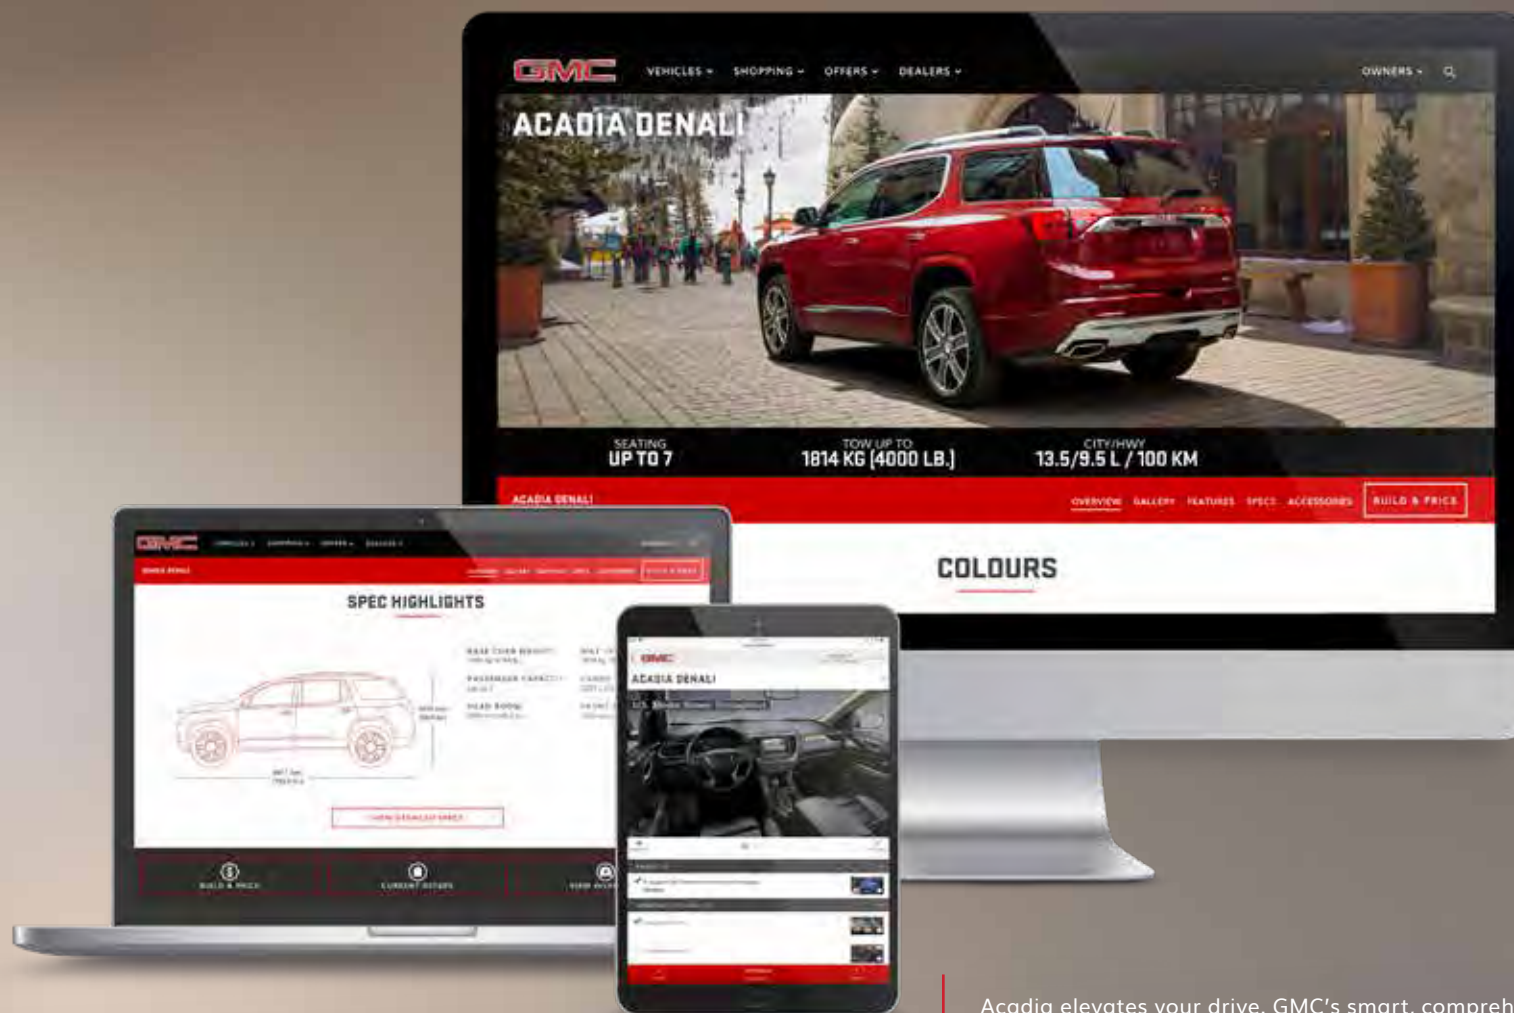

Available on SLT-1 and adds features that will set you apart, such as 20" machined aluminum wheels with black accents, a black grille insert and surround, black headlamp and tail lamp details and black mirror caps, roof rails and exterior accents.

DENALI

Denali is the ultimate expression of Professional Grade. Includes all SLT-2 standard content and is embellished with premium features such as bright Denali-specific exterior accents, unique Denali interior appointments, heated and ventilated front seats, an automatic heated steering wheel, a hands-free power-programmable liftgate and Navigation.⁵

PEACE OF MIND, STANDARD WITH EVERY GMC MODEL

GMC will warrant each 2019 Acadia with Base Warranty Coverage for 3 years/60,000 km (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Base Warranty Coverage. In addition, sheet metal rust-through corrosion will be covered for 6 years/160,000 km (whichever comes first; see dealer for details).

- 2-year/48,000 km Lube-Oil-Filter Maintenance¹
- 3-year/60,000 km Base Warranty Coverage²
- 5-year/100,000 km Powertrain Component Warranty Coverage, with \$0 deductible on repairs and the warranty is fully transferable at no charge²
- 5-year/100,000 km Courtesy Transportation²
- 5-year/100,000 km 24/7 Roadside Assistance²
- 6-year/160,000 km sheet metal rust-through perforation coverage²
- 8-year/130,000 km coverage on catalytic converters and Powertrain Control Modules (PCMs)²

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:³

- GM Protection Plan (GMPP)—The only extended service plan backed by the resources and commitment of General Motors, GMPP may be purchased at the time of sale or subsequently during the Base Warranty Coverage period.
- Certified Service—With GM-certified technicians and GM-approved parts, nobody knows your GM vehicle better.
- GMC Owner Centre—As an owner, take advantage of the GMC Owner Centre. This online owner's destination gives you access to contests, current offers and helpful resources such as Owner's Manuals. Find out more at gmcowner.ca.

TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE:

- Purchase Financing and Leasing—On-the-spot financing, see dealer for full details.⁴
- GM Student Bonus Program—Students or recent graduates of high school, college or university³ may be eligible to receive a Student Bonus vehicle redemption allowance of \$500 or \$750⁵ (tax inclusive; purchased vehicle dependant) to use toward the purchase, lease or finance of one eligible new GMC vehicle.
- GM Card—Cardholders may redeem Earnings toward the total purchase price or lease down payment of an eligible new GMC truck or SUV. Restrictions and limitations apply.⁵ For full program details, visit gmcad.ca.

INFORMATION RESOURCES:

You can find more information about these programs from your GMC dealer, or at these information centres:

- The GM website at gmccanada.ca
- The GM Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users)

A WORD ABOUT THIS BROCHURE Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of printing, please check with your GMC dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

A WORD ABOUT THIS ASSEMBLY GMC vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.
