FOR YOU**

GMC PROTECTION

GMC Tire Protection provides protection in the event of structural damage to your tires or wheels as a result of covered road hazards.

BENEFITS

- The only Tire Protection Plan endorsed by GMC
- Covers repair or replacement of tires or wheels that fail to hold air, if damaged due to a covered road hazard, including mounting, balancing, valve stems, and taxes*
- No deductible
- Plan terms up to 6 years available, with unlimited kilometres
- Covered repairs and replacements performed by GMC Certified Service experts
- Towing reimbursement**
- Replaces your Tire Pressure Monitoring System if damaged by a covered road hazard***

* Repair of the structurally damaged tire or wheel will be attempted first. If the structurally damaged tire or wheel cannot be repaired, it will be replaced. **Up to \$75 (plus GST/HST and any other applicable provincial tax) per occurrence. ***Certain limitations and exclusions apply. Ask your dealer for more details.
