

HAVING TO PAY FOR THIS YOURSELF IS EVEN MORE DEFLATING.

GMC Tire Protection¹ can help. It can provide for the repair or replacement of tires and wheels if structurally damaged by a covered road hazard. And they're installed by the experts who know your vehicle best. It's the only Tire Protection Plan endorsed by GMC.

TIRE PROTECTION

- Covers repair or replacement of damaged tires or wheels due to road hazards like metal, nails, glass, debris or potholes
- Towing reimbursement up to \$75 per occurrence
- **No limitations** on mileage or the number of eligible structural damage claims

Pick the plan that best suits your needs – and your budget.

Tire Protection

provides for the repair or replacement of tires that fail to hold air due to structural damage² caused by a covered road hazard³.

Tire & Wheel Protection

provides protection for the tires, as noted above, plus the alloy wheels⁴ in the event the damage goes beyond the tire on the vehicle.

Tire & Wheel Chrome

provides protection, as noted above, for chrome wheels in the event the damage caused by a covered road hazard goes beyond the tire on the vehicle.

Tire & Wheel Cosmetic

provides protection, as noted above, for tire or alloy wheel failing to hold air, plus includes cosmetic repairs to the alloy wheels on the vehicle. Cosmetic protection does not apply to chrome wheels.

GMC PROTECTION

¹ This Plan is optional and is not insurance. All transactions related to this Plan are governed solely by the provisions of the GMC Tire Protection Plan Service Contract ("Agreement"). Please see the Agreement for details of terms, conditions, and specific details, including limitations and exclusions. Tire Protection is not available in all provinces. Some models may not be eligible. Contact your dealer for more information. Tire Protection Plan products are not available in British Columbia for any vehicles, and are not available in Quebec for non-GM vehicles. Certain conditions, exclusions, and restrictions apply. Please see your dealer for details. The Obligor of the GMC Tire Protection Plan product is General Motors of Canada Company. ² Repair of the structurally damaged tire will be attempted first. If the structurally damaged tire cannot be repaired, it will be replaced. ³ Only tires recommended by the manufacturer are eligible. Protection applies to all eligible tires on the vehicle, from the date of purchase of the contract until the expiry date, or until 2/32" (1.6 mm) or less of tread remains, whichever occurs first. ⁴ Only tires and wheels recommended by the Manufacturer are eligible.
